

## How to rent books from the UNM Bookstore website?

1. To determine if a book is available for rent either in our store or on our website, you can click on the Textbooks Page, Shop Direct From The Bookstore, read the information and click the red button at the bottom of the page or you can click our Start Comparison Shopping button.
2. Select your Term, Department, Courses, and Sections and then click Choose Books on the right side of the page.
3. You will now see all of the course materials for your courses and the New Price, Used Price, and if available for rent the Rental Prices. If it is not available for rent, you will not see Rental Prices. See the example below.
