Store hours and service updates

UNM Bookstore on main campus will be open to the public on March 24 from 10 a.m. to 3 p.m. and will operate from the customer service windows in the lobby only. Beginning March 25, the bookstore will be closed for in-person business until further notice.

Although not open for in-person business, the bookstore will continue to implement limited operations to process and fulfill online web orders and departmental requisitions to supply our student, faculty, and staff community with course materials and other essential products and equipment. Most bookstore merchandise including textbooks and eBooks, apparel, gift and spirit items, office supplies, computers and other technology may be purchased online through bookstore.unm.edu. Online orders will be processed and shipped on a reduced schedule during this closure however, as of March 24 in-store pickup will no longer be available.

As a reminder, the Medical Legal Bookstore on north campus is closed until further notice and all departmental purchases should be directed to the main campus store.

Please continue to check our website for updated store hours and services. If you have rented course materials from the Bookstore or are interested in returning unopened regalia or diploma frames, please continue to check your UNM email for correspondence specific to these matters.

Sincerely,

UNM Bookstore Management
